

# Tracy Chapman - Telling Stories

Tom: G

Int.: Em

There's fiction in the space between  
 The lines on your page of memories  
 Write it down but it doesn't mean  
 You're not just telling stories

There is fiction in the space between  
 You and reality  
 You will do and say anything  
 To make your everyday life seem less mundane  
 There is fiction in the space between  
 You and me

There is a science fiction in the space between  
 You and me

A fabrication a grand scheme  
 Where I am the scary monster

I eat the city and as I leave the scene  
 In my spaceship I am laughing  
 In your remembrance of your bad dream  
 There's no one but you standing

Leave the pity and blame  
 For the ones who do not speak  
 You write the words to get respect and compassion  
 And for posterity  
 You write the words and make believe  
 There is truth in the space between

There is fiction in the space between  
 You and everybody  
 Give us all what we need  
 Give us one more sad sordid story

But in the fiction of the space between  
 Sometimes a lie is the best thing  
 Sometimes a lie is the best thing
