

Tracy Chapman - Telling Stories

Tom: G

Int.: Em

There's fiction in the space between
 The lines on your page of memories
 Write it down but it doesn't mean
 You're not just telling stories

There is fiction in the space between
 You and reality
 You will do and say anything
 To make your everyday life seem less mundane

There is fiction in the space between
 You and me

There is a science fiction in the space between
 You and me

A fabrication a grand scheme
 Where I am the scary monster

I eat the city and as I leave the scene
 In my spaceship I am laughing
 In your remembrance of your bad dream
 There's no one but you standing

Leave the pity and blame
 For the ones who do not speak
 You write the words to get respect and compassion
 And for posterity
 You write the words and make believe
 There is truth in the space between

There is fiction in the space between
 You and everybody
 Give us all what we need
 Give us one more sad sordid story

But in the fiction of the space between
 Sometimes a lie is the best thing
 Sometimes a lie is the best thing
