

Traditional - Health To Company

Tom: C

Kind friends and companions, come join me in rhyme
 Come lift up your voices in chorus with mine
 Let us drink and be merry, all grief to refrain
 For we may and might never all meet here again

Here's a health to the company and one to my lass
 Let us drink and be merry all out of one glass
 Let us drink and be merry, all grief to refrain
 For we may and might never all meet here again

Here's a health to the dear lass that I love so well
 Her style and her beauty, sure none can excel
 There's a smile upon her countenance as she sits on my knee
 Sure there's no one in in this wide world as happy as we

Here's a health to the company and one to my lass

Let us drink and be merry all out of one glass
 Let us drink and be merry, all grief to refrain
 For we may and might never all meet here again

Our ship lies at harbor, she's ready to dock
 I hope she's safe landed without any shock
 If ever we should meet again by land or by sea
 I will always remember your kindness to me

Here's a health to the company and one to my lass
 Let us drink and be merry all out of one glass
 Let us drink and be merry, all grief to refrain
 For we may and might never all meet here again

Here's a health to the company and one to my lass
 Let us drink and be merry all out of one glass
 Let us drink and be merry, all grief to refrain
 For we may and might never all meet here again
