Intro: G

Teach me a full  
 And i'd teach you to sing  
 When lives keeps stealing your me\_lo\_dy  
 Around your finger i'll be a string  
 I will forget e\_very\_thing i know  
 About love, i don't know, about love  
 Sure feels good at first  
 I'd learn to dance if you promise not to laugh  
 And i'll end up in a cast  
 For fall\_ing o\_\_ver  
 And you can't get mad when some girl you think i have  
 Puts a story in your head  
 When i har\_dly now her so  
 About love, i don't know, about love  
 Sure feels good at first  
 Refrão:

 For every heartbreak, there's a sermon to be said  
 And this pastor in my head, preaching to the cho\_\_ir  
 Don't get me wrong cause it's too soon to decide  
 But the same in my first rodeo when my heart spent road down town  
 In love, i don't know, about love  
 But sure feels good at first
