

Train - Sing Together

tom:

C

If I go before I say

C G

To everyone in my ballet

Am

Let me take this chance

F

To thank you for the dance

C

If I run out of songs to sing

G

To take your mind off everything

Am

Just smile, see the wild with the

F

G

Sun on your face and

Remember the place we met, take a breath and soon

Am

I bet you'll see

F

Without you I would never be me

You are the leaves of my family tree

Sing together

If you knew me from the very start

Or we met last week at the grocery mart

Just sing together

It's the least that I can do, my final gift to you

Oooh

C G Am F Dm G

Oooh

When I pass the pearly gate

I will find some real estate

Where we can settle down

And watch the world go round

We'll send down all the love we got

And let them know we've got a spot

For them to be, and it's so free

The Sun on your face, and

Remember the place we met, take a breath and soon

I bet you'll see

Without you I would never be me

You are the leaves of my family tree

Sing together

If you knew me from the very start

Or not at all, you're still a part,

Just sing together

It's the least that I can do

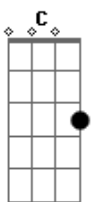

My final gift to you

Oooh
