

Train - Sing Together

tom:

C

C G

If I go before I say

Am

To everyone in my ballet

F

Let me take this chance

C

To thank you for the dance

G

If I run out of songs to sing

Am

To take your mind off everything

F

Just smile, see the wild with the

Sun on your face and

Am

Remember the place we met, take a breath and soon

F

I bet you'll see

Without you I would never be me

You are the leaves of my family tree

C G Am F

Sing together

If you knew me from the very start

Or we met last week at the grocery mart

Just sing together

It's the least that I can do, my final gift to you

C G Am F

When I pass the pearly gate

I will find some real estate

Where we can settle down

And watch the world go round

We'll send down all the love we got

And let them know we've got a spot

For them to be, and it's so free

F
The Sun on your face, and

Remember the place we met, take a breath and soon

I bet you'll see

Without you I would never be me

You are the leaves of my family tree

If you knew me from the very start

Or not at all, you're still a part,

Just sing together

It's the least that I can do

My final gift to you
