

Train - This Ain't Goodbye

Tom: G

G Am Em
 You and I were friends from outer space
 C G Am Em
 Afraid to let go, the only two who understood this place
 C G Am Em
 And as far as we know, we were way before our time
 C G Am Em
 As bold as we were blind, just another perfect mistake
 C Am G D
 Another bridge to take, on the way of letting go

Chorus

G
 This ain't goodbye
 Am Em
 This is just where love goes
 C G
 When words aren't warm enough
 Am Em
 To keep away the cold
 D
 Oh no
 G
 This ain't goodbye
 Am Em
 It's not where our story ends
 C G
 But I know you can't be mine
 Am Em D
 Not the way you've always been
 Em D G
 As long as we've got time
 G Am Em
 Then this ain't goodbye
 C G Am Em C
 Oh no this ain't goodbye
 G Am Em
 We were stars up in the sunlit sky
 C G Am
 Em
 That no one else could see, neither of us thought to ever ask
 why
 C G Am Em
 It wasn't meant to be, maybe we were way too high
 C G Am Em
 To ever understand, baby we were victims of all
 C Am G D
 All the foolish plans, we began to divide

G
 This ain't goodbye
 Am Em
 This is just where love goes
 C G
 When words aren't warm enough
 Am Em
 To keep away the cold
 D
 Oh no

 This ain't goodbye
 Am Em
 It's not where our story ends
 C G
 But I know you can't be mine
 Am Em D G
