

## Train - Words

Tom: Bb

I'd give anything but I won't give up on you  
 I'd say anything, but not goodbye  
 I will run with your changes and I'm always on your side  
 And there's not a word I've ever heard that would make me change my mind

Words they'll try to shake you  
 Don't let them break you  
 Or stop your world from turning  
 When words keep you from feeling good  
 Use them as firewood and let them burn

Like stones in your pocket, people try to wear you down  
 Someone always wants to take the love you've found  
 So let's run with these changes and I want you by my side  
 And there's not a word I've ever heard that would make me change my mind

Words they'll try to shake you  
 Don't let them break you  
 Or stop your world from turning

When words keep you from feeling good  
 Use them as firewood and let them burn  
 Let...them...burn  
 Let...them...burn  
 Underneath every word somebody's heart's been broken  
 With or without words we try to forgive

Words they'll try to shake us  
 Don't let them break us  
 Or stop our world from turning  
 When words keep you from feeling good  
 Use them as firewood and let them burn

Words they'll try to shake you  
 Don't let them break you  
 Or stop your world from turning  
 When words keep you from feeling good  
 Use them as firewood and let them burn

Let...them...burn  
 Let...them...burn
