

Trapdoor Social - Hold Me Down

tom:

Intro: Ebm Dm G Dbm Cm B
Eb Dm Dbm Cm B

Ebm Dm Dbm
Alone, I won't last long
Cm B Ebm
'Cause you've been there holding me up
Dm
I'm gone

Dbm
Automaton, a bag of bones
Cm B Ebm
You were the soul and the blood

Ebm Bb
When I call you pretend you're not there
Db Ab
Oh, I get a little bit scared
Ebm Bb Gb
But I'm wrong more often than not
Ab
And I know that you care

Db Bbm
Baby, hold me down
Ebm
No, I don't want it to hurt no more
Ab
I need your love and I can't let go
Db Bbm
So save me from the ride
Ebm
Just give me all that you got, my dear
Ab
And then I promise that I'll be here
(Db)

Ebm Bb Gb
Oh no, the world's going under
Ab B Ebm
And we sit here twiddling our thumbs
Bb Gb
Our love is the least of our problems
Ab B Ebm
But you say one word and I jump
Ebm Bb
And I fall, let the chemicals flare
Gb Ab B
Ooh, I get a little impaired

Ebm Bb Gb
But I'm just an animal like anyone
Ab
So I hope that you care

Db Bbm
Baby, hold me down
Ebm
No, I don't want it to hurt no more
Ab
I need your love and I can't let go
Db Bbm
So save me from the ride
Ebm
Just give me all that you got, my dear
Ab
And then I promise that I'll be here

Db Bbm
I won't be afraid of dying
Ebm Ab
You're not living if you're hiding
Db Bbm
This must be someone's nightmare
Ebm Ab
If we wake up we'll burn brighter
[Solo] Db Bbm Ebm Ab

Db Bbm
Baby, hold me down
Ebm
No, I don't want it to hurt no more
