Scare me to death, its icy grip comin'

But I won't stop now

And I can't stop now

Gbm
Pull me back, pull me back

Dbm
Falling forward

Bursting the seams once stitched for me

Floating, so I can't be told there's not room to grow

Cause they just didn't know

That it was no show

All their lives, all their lives

Dbm
They'd been watching

E
If I'm just a puppet, you're just a lie

A
Cause you said to me

Once that I was free
