          B B E B  
 Standing here not knowing how we'll get through this test  
           E B  
 But holding onto faith you know best  
           E Abm7  
 Nothing can catch you by surprise  
           Gb E B B  
 You've got this figured out and you're watching us now  
           E B  
 But when it looks as if we can't win  
           E B  
 You wrap us in your arm and step in  
           E Abm7  
 And everything we need you supply  
           Gb E  
 You got this in control  
           E  
 And now we know that

B E  
 You made a way  
           Dbm7 B  
 When our backs were against the wall  
           Abm7 Gb  
 And it looked as if it was over  
           B E  
 You made a way  
           Dbm7 B  
 And we're standing here

 Only because you made a way

( B B B E )

          B B B  
 Now we're here  
           E B B B  
 Looking back on where we come from  
           E B B B  
 Because of you and nothing we've done  
           E Abm7  
 To deserve the love and mercy you've shown  
           Gb E

But your grace was strong enough to pick us up

Dbm7 B  
 And we're standing here  
           Abm7 Gb  
 Only because you made  
           Dbm7 B  
 And we're standing here  
           Abm7 Gb  
 Only because you made  
           Dbm7 B  
 And we're standing here  
           Abm7 Gb  
 Only because you made

( B )

 You move mountains  
           Gb B
