you go and throw it all away  
i guess it's just another day in love

We're battleships

G F

Chorus:  
battleships  
drifting in an alley river

Bridge: Play the intro again

but you're too smart  
and i'm too dumb  
with no heart in the middle

Chorus:  
battleships  
drifting in an alley river  
takin hits  
sinking, it's now or never  
overboard, falling into the ocean  
ship to shore, drowning in a sea of love and hate  
but it's too late  
battleship down
