

Travis - Big Chair

Tom: A
Intro: Gbm A D

Now you know that I ^{Gbm A D} heart
Everything about you
And that's why it's ^{Gbm A D} quite hard
To get through this alone
You're the only one ^{Gbm}
I ^{A D} can talk to about it
In my darkest night ^{Gbm}
I ^{A D} will be on my own
These walls that we climb ^E
Are hard to recognize ^D
They fall when I say your name ^{E D}
Here we go ^{Gbm}
Fast and slow ^A
On the big chair ^D
But we don't know ^{Gbm}
Where we're going ^A
On the big chair ^D
Don't you know it's hard ^{Gbm}
Quite ^{A D}
In the time of confusion
To tell you that I ^{Gbm A D} love you
You see it could have been me ^{Gbm}
^A

Instead of you ^D
It could have been me
If I wanted to
But it wasn't ^{Gbm}
So we'll have to face the truth ^{A D}
These walls that we climb ^E
Are hard to recognize ^D
They fall when I say your name ^{E D}
Here we go ^{Gbm}
Fast and slow ^A
On the big chair ^D
But we don't know ^{Gbm}
Where we're going ^A
On the big chair ^D
Time to pull the shutters down ^{Fm A}
Breakin' clouds don't make a sound ^{Fm E}
Here we go ^{Gbm}
Fast and slow ^A
On the big chair ^D
But we don't know ^{Gbm}
Where we're going ^A
On the big chair ^D
Big chair, big chair, big chair... ^{Gbm A D}
