

# Travis - Chinese Blues

Tom: A

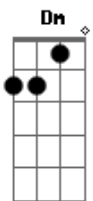

(com acordes na forma de Dm )  
 C G Dm  
 The snow was falling on his shoulders by the side of the road  
 Dm  
 And he watched as the sun went down  
 C  
 Falling on the building  
 G  
 Swallowing the children  
 Dm  
 It's the gun in your back  
 It's the heart attack  
 C G  
 It's the way you look back before you step out  
 Dm C G  
 In time to see the number of the bus that's running you down  
 Gm F C  
 A million lonely people with their head in the sand  
 Gm F C  
 Trying to make some sense of what they don't understand  
 Gm F C Bb  
 Waiting on somebody just to give them a hand, Heyyyy  
 Dm C G

You're designed to fall apart on the day the warrenty ends  
 Dm  
 And you try but you just can't stop  
 C  
 Running round in circles  
 G  
 Knocking over hurdles  
 Dm  
 It's the knife in your back  
 It's the heart attack  
 C G  
 It's the way you look back before you step out  
 Dm C G  
 In time to see the shadow of the one that's cutting you down  
 Dm G  
 The snow was falling on his shoulders by the side of the road  
 Bb A  
 And he watched as the lights came on below  
 Dm  
 And the children were sleeping  
 G  
 And the women were weeping  
 Bb A  
 There was nobody keeping him here
