

# Travis - Coming Around

Tom: D

<sup>D</sup>  
Never see you coming around

<sup>A</sup>  
They know they got their heads

screwed on I'm

<sup>D</sup> <sup>G D Em</sup>  
standing in the middle of town

<sup>A</sup>  
I know I might never come home

<sup>Em</sup> <sup>A</sup>  
Just standing where I am with all the people passing by me

<sup>D</sup> <sup>G</sup>  
The sound of all these passers-by mixed in with the bus and motor-car

<sup>Em</sup>  
I must be sure these are the signs

<sup>A</sup>  
Cos I've been here a million times before

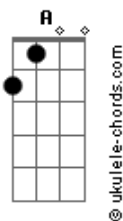

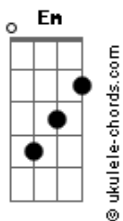

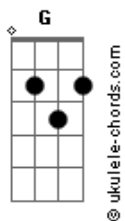

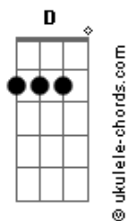

<sup>D G D A Em</sup>  
Just tell me when it's coming around, coming around

<sup>D G D</sup>  
I think I see you coming to town,

<sup>A Em G Em G</sup>  
hunting you down Bringing you round

<sup>D G D</sup>  
Tell me if I'm bringing you down

## Acordes

Cos I was fine till you came along

<sup>D</sup> <sup>G D</sup>  
You tell me that the tears of a clown

<sup>D</sup>  
That I'm confusing while abusing my mind

<sup>Em</sup>  
So far away I wanna be

<sup>A</sup>  
That's not as close to you and me

<sup>D</sup>  
The things they call our destiny

<sup>G</sup> <sup>Em</sup>  
Now why do you have to pick on me at all?

<sup>A</sup>  
My walls are coming down

<sup>D G D A Em</sup>  
Just tell me when it's coming around, coming around

<sup>D G D A Em G Em</sup>  
<sup>G</sup> (D G D G A ) 2X (Em A D G Em A )

I think I see you coming to town, hunting you down Coming around

<sup>D G D A Em</sup>  
Just tell me when it's coming around, coming around

<sup>D G D A Em G</sup>  
I think I see you coming to town, dragging you down

<sup>D G D A Em</sup>  
Just tell me when it's coming around, coming around

<sup>Em G</sup>  
I think I see you coming to town, just dragging you down It's coming around
