Intro: D D D D
Dear Diary
D D A A
What is wrong with me?
D D Dbm [
'Cos I'm fine between the lines
D D Dbm
Be not afraid
          Dbm
```

```
Help is on its way
D D Dbm
A sentence suspended in air
                                                                                                                                                 F7
Way over there
\mathsf{D} \; \mathsf{D} \; \mathsf{D} \; \mathsf{D}
D D A A
Dear Diary
What else could it be?
D D Dbm
  As nightshade descends like a veil
                                                                                                                E7
                                                                                                                                                                                                                                                       Gbm A D
  Under the sail of my heart
  Gbm A D
Be still,
Gbm A D Gbm A D
                                                                                                                                                                                                                                                                 D D D D
don't stop until the end
                                    D D D
D D A A
Dear Dairy
  D D
What is wrong with me?
                                        D Dbm
D
    'Cos I'm fine between the lines % \left( 1\right) =\left( 1\right) \left( 1\right)
```
