Travis - Idlewild (feat. Josephine Oniyama)

She won't learn tom: Sleep to love and your bed starts burning G Intro: Em C Bm Rm Em C Bm So close to midnight Em Idlewild Fm It was upon a row of houses You don't know Tight skirts and baggy trousers Bm You never need to Bm Green men and cheap disguises Em High hopes and higher rises Here we lie Who lived a girl who was on a mission High and dry Br Who lived a boy who was under suspicion The world will never see you 'till you open your eyes Bm Tried hard to stay beside her Say goodnight Bm Until the devil put his seed inside her Kill the light Fm The world will never hear you tonight How? Bm Em C Idlewild Fm You know how Idlewild Sleep to love and the sand runs out So close to midnight Bm Fm Time to fly Whether or not that wise is the word for us That high hopes are only there because, because Do or die Bm Fm Because I thought the only thing between us Stoned in the headlights Fm Was something shallow not a river so deep (we see us) Here we lie Dredge up the wreckage our parents left us High and dry Rm Lay it on the banks to rot and fester The world will never see you 'till you open your eyes Now it's (scarlet and) hanging like a death star Em Say goodnight Bm And Gretna Green dark and Manchester Kill the light I don't want to hear it now The world will never hear you tonight Idlewild Fm Here we lie Fm For two years he tried to reach her High and dry Worshiped the ground beneath her The world will never see you 'till you open your eyes Fm Bm Say goodnight She, she was always running He, he saw the end was coming Kill the light Fm Rm The world will never hear you tonight But now the story takes a turn Em She wakes up and her sheets are burning Idlewild Bm Rm Idlewild Head down against the fire Fm Now, now, now the table turns Kill the light Bm Idlewild Em
