

Travis - Long Way Down

Tom: D
Intro: 2x: Bm Gb E

Verso:
Bm Gb E
Its a long way down above the two tone town
E
And its not funny when you're stuck in the middle

Bm Gb E
Im coming up for air, i could be anywhere
E
It makes no difference when you live in a puddle

Refrão:
G D
Now that i see you, how can i breath?

A Gb
When my hearts in my mouth, and not on my sleeve
G D A

Better run little rabbit, back to your hole in the ground

Gb G Gb E
Its a long way down its a long way down

Verso 2:
Bm Gb E
The people look so small, sliding off the wall
E
Getting dizzy as the fall in the gutter
Bm Gb E
I watch the seagull swooping past the steeple
E
Crying for his dinner as he shits on the sinners

Ponte:
G D A Gb G D A
Mama, and eye for and eye, you said you'd never pick a side

G D A Gb G
Papa im too young to die, you'll never take, you're never
taking me alive
