

# Travis - Slide Show

Tom: G

no começo o violão entra com os acordes G C D só que o baixo do próprio violão faz

Faça isso durante a primeira parte da música, sempre que ela for tocada

Today is the day  
 For dancing and for singing  
 The birds on the trees  
 And all the bells are ringing  
 The sun in the sky  
 Is bright as bright as second light  
 Is bright oh god I hope I'm alright  
 Cause I gonna cry  
 Hold on, Hold on  
 Slow down, Slow down  
 You're out of touch  
 Out of touch  
 Cause there is no desing for life

There's no devil's haircut in my mind

There is not a wonderwall to climb  
 Or step around

But there is a slide show and it's so slow  
 Flashing through my mind  
 Today was the day  
 But only for the first time

SOLO - fique fazendo Em e G igual na parte "Hold on, Hold on..." e no final D

Cause there is no desing for life  
 There's no devil's haircut in your mind  
 There is not a worderwall to climb  
 Or step around

And there is a slide show and it's so slow  
 Flashing trough your mind  
 Today is the day  
 But only for the first time  
 I hope it's not the last time  
 uuuhhhhh....
