

Travis - The Distance

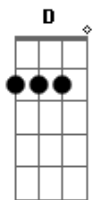

Tom: D

D
 Do you remember?
 Do you remember?
 Do you remember?
 Gb
 How you were gonna stay free?
 Bm
 But they had plans for you
 A
 And things to do
 G D
 The same thing goes for me
 Well well I never
 Gb
 Saw it coming to me
 Bm
 But when I turned around
 A
 To look at you
 G D
 It was all that I could do
 G
 To see the distance
 A G
 Everybody wants to run
 D G
 And I'm no different
 A G
 Feeling like the only one
 D
 In the beginning
 Gb
 Everything was so close
 Bm A
 And it seemed that everywhere you go
 G D
 Everybody knows
 You don't remember
 Gb
 What you wanted to be
 Bm
 Well they went round the class
 A
 And you were last
 G
 The clock was fast
 D

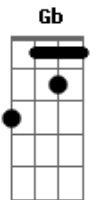

So no one asked

G
 To see the distance
 A G
 Everybody wants to run
 D G
 And I'm no different
 A G
 Feeling like the only one
 G A
 Well how long can you run?
 Bm G
 How far and what for?
 A
 How far will you run
 Bm
 To get whatever you're after
 G
 Year after year after year
 D
 Well I've been looking
 Gb
 But I still can't see
 Bm A
 How we get from a to b to c
 G D
 And feel like we should be
 Well I've been running
 Gb
 But I've been running around
 Bm A
 Now there's nothing left for me to do
 G D
 But sit around and see the view
 G
 To see the distance
 A G
 Everybody wants to run
 D G
 And I'm no different
 A G
 Feeling like the only one
 (D-D-D)
 Do you remember?
 Do you remember?
 Do you remember?
