

Trazendo a Arca - Caminhos de Milagres

Tom: A

Intro: A E Gbm A D E Dbm

Tudo o que eu fiz foi acreditar

Eu ouvi Tua voz e obedeci

Como pude então ter chegado aqui

Eu não posso crer que é o fim

dizem: onde está o teu deus?
Me perguntam o que fazer

Quando o que era difícil

Se torna impossível

Deus começa a agir

Ele abre sempre uma porta

Onde não há saída
O impossível faz acontecer

(volta ao início)

(2ª vez)

O impossível Ele faz

Ele faz um caminho de milagres pelo mar

Quando o que era difícil

Se torna impossível

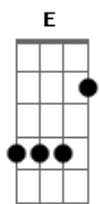

Deus começa a agir

Ele abre sempre uma porta

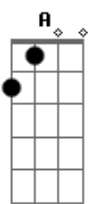

Onde não há saída

O impossível faz acontecer
