

# Vicente Jr. Trepidants - Doubts

tom:

Intro: Bm Am C D G

You sometimes in your life

Act of such a way

That I can't close my eyes

Either you really love me

Or let me go way

To find a love and solve the

Troubles I have

I could never understand

Neither is your friend

With all this feeling inside

First I loved you

But you don't realize

I call your name

It's all the same

You don't mind

How can I keep loving you honey

If all your love has gone

You don't say I'm yours

And you are mine

I think you'd be better wait

For not make a mistake

You won't love another but me

( Bm F C )

But you don't realize
