

Trevor Daniel - Past Life

```
tom:
I'm trying to be honest with my happiness
Don't know why I'm bad at this, uh
And I don't want to?sit all in my sadness
          D
I know it's a habit of mine
Perfect, perfect timing
I start but I don't know ?how to end
                Bm
Don't?re-, don't remind me
I ruined it before it began, ooh
 Last night was the last night of my past life
Got me here like you can never figure me out
 Last night was the last time, was the last time
I'll never let you figure me out
 Sitting here, talking to myself
Thinking how I used to use you
Only thing I'm used to
                  G
 Last night was the last night of my past life, woah
Gave me what I wanted when I needed it
Honestly, I mean it
And if I could convince myself to feel it
You know I would feel it, I would
Perfect, perfect timing
I start but I?don't?know ?how to end
                  Bm
Don't?re-, don't remind me
```
