

# Trey Songz - Can't Help But Wait

tom:

Intro: E7M Dbm7 Abm7

I can't help but wait  
Oh I, can't help but wait

Check it out

[Primeira Parte]

I see you, you're with him - he ain't right but you don't trip  
You stand by, while he lies - then turn right 'round and forgive

I can't take to see your face, with those tears run down your cheeks

But what can I do - I gotta stay true 'cause deep down I'm still a G

[Pré-Refrão]

And I don't wanna come between you and your man  
Even though I know I treat you better than he can

[Refrão]

Girl I can't help but wait  
Til' you get that with him, it don't change  
Can't help but wait

Til' you see that with me it ain't the same  
Can't help but wait

Til' you, see you, for what you really are

Baby girl you are a star  
And I can't help but wait

[Segunda Parte]

Listen, it ain't fresh to just let him call the shots

You're a queen, you should be, getting all that someone's got  
You should be rocking the latest in purses, bracelets, and watches, your worth

Much more than an occasional "I love you"

I'm thinking of you

[Pré-Refrão]

And I don't wanna come between you and your man  
Even though I know I treat you better than he can

[Refrão]

Girl I can't help but wait  
Til' you get that with him, it don't change  
Can't help but wait

Til' you see that with me it ain't the same  
Can't help but wait

Til' you, see you, for what you really are

Baby girl you are a star  
And I can't help but wait

[Ponte]

Get it together - you can do better  
Seeing's believing

And I see what you need so  
I'm gone play my position

Let you catch what you've been missing  
I'm calling out, girl 'cause

[Refrão]

I can't help but wait  
Til' you get that with him, it don't change  
Can't help but wait

Til' you see that with me it ain't the same  
Can't help but wait

Til' you, see you, for what you really are

Baby girl you are a star  
And I can't help but wait

## Acordes
