

Tribalistas - Aliança

tom:

Se um dia eu te encontrar
 Do jeito que sonhei
 Quem sabe ser seu par
 Perfeito e te amar
 Do jeito que eu imaginei
 Ao virar a esquina
 Atrás de uma cortina, me perder

No escuro com você
 Fogo na fogueira
 O seu beijo e o desejo em seu olhar
 As flores no altar
 Vêu e grinalda, Lua de mel
 Chuva de arroz e tudo depois
 Dama de honra pega o buquê
 Ninguém mais feliz que eu e você
