

Tribe Society - Kings

Tom: C

^{Am}
Running with all of my brothers
^F I always wondered how far we could go
^{Am} If we could break through the ceiling above us
^F There'd be no point of us looking below

^{Am} We could be free, we could be free
^{Am} Finally, we could be free

^{Am} I been through the darkest of caves and suffering
^F One hundred steps off the end of the road
^{Am} Painted with passion, my favorite color
^F Hope I'm alive when the story gets old

^{Am} We could be free, we could be free
^{Am} Finally, we could be free

^{Am} I ain't at home, home's where I'm going
^F I close my eyes to see
^{Am} I'll take my throne, lay it on a mountain
^F And make myself a king
^{Am} I said whoa-oh-oh, whoa-oh-oh-oh-oh-oh
^F Make myself a king
^{Am} I said whoa-oh-oh, whoa-oh-oh-oh-oh-oh
^F Make myself a king

^{Am} Lost in the world full of nonbelievers
^F Searching for smoke in a stillwater pond
^{Am} A nothing king, they called a dreamer
^F This is my life and I call it a song

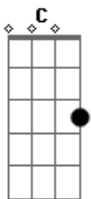

^{Am} We could be free, we could be free

^{Am} Finally, we could be free
^G
