

# Tribo de Louvor - Quem Impedirá

Tom: D

Quem impedirá?  
 Quem impedirá o mover de deus  
 Quem impedirá  
 O agir de deus neste lugar

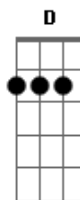

Com ele nós somos um só exército,  
 Marchando contra o império das trevas  
 Como um corpo de cristo unidos vencemos,  
 Gm Fm Bm

marchando contra o império das trevas

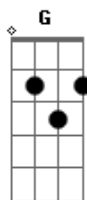

Libertando os cativos  
 Profetizando a cura do senhor  
 Consolando os que choram  
 E declarando vive o senhor

A voz do senhor é como a voz de um trovão  
 Fique ligado preste muita atenção  
 O que ele ordenou, ninguém pode mudar  
 E é por isso que eu vou crer e sempre confiar
