

# Tricia Brock - What I Know

Tom: Bb

Intro: Gm Eb Bb Dm  
Gm

It's been another day when it seems like faith eludes me

Everything's been so confusing

Fear got the best of me

Now I'm lying here worried about tomorrow

Cause the weight of everything I don't know

Is so heavy I can't sleep

But the truth remains the same

Even when I don't know what to pray

But what I know

Is You my God are real

No matter how I feel

You've never let me go

And what I know

Is there will never be a day

You aren't just a breath away

And through it all I've gotta hold

To what I know

verse 2:

I could throw my fist in the air

Demanding answers

But despite of all the questions

I'm still giving You my life

And if it doesn't turn out like I think it should

It doesn't change the fact You're always good

Your ways are higher than mine

To love that's never failing

To hope that keeps on saying

Carry on

Carry on

What I know

Is You my God are real

No matter how I feel

You've never let me go

And what I know

Is there will never be a day

You aren't just a breath away

And through it all I've gotta hold

To what I know

Gotta hold to what I know

To what I know

What I know oh
