Mulher de malandro sabe ser
 Carinhosa de verdade
 Ela vive com tanto prazer
 Quanto mais apanha
 A ele tem amizade
 Longe dele tem saudade

Muitas vezes
 Ela chora
 Mas não despreza o amor que tem
 Sempre apanhando e se lastimando
 E perto do malandro
 Se sente bem

(instrumental)

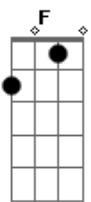

Ela briga com o malandro
 Enraivecida, manda ele andar
 Ele se aborrece e desaparece
 Ela sente saudade
 E vai procurar
