Cold

Oh, oh, oh (oh)

Lately, bae, you've been on my mind (my mind)

And a box of roses from me

I feel broken and hopeless (yeah)

So cold (cold)

You're so cold (cold) to me, yeah

Nevertheless, I'ma take your soul

Let me know, is it murder or love with you?

I'm so confused

Baby, you twisted my brain like a rubik's cube

I don't know what to do with you, my dear (yeah, ah)

I don't want you to waste your time (waste your time)

I want you to space your mind (space your mind)

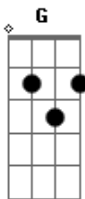

You're the reason I'm alive

Without you, I'd die

You left me in the darkness

I swear you're so heartless to me

Why you've become shark bait

You're so hopeless and broken
