## Tristam - Till It's Over

Gm We don't care what they say We will be here all day We'll stay here till it's over Till the world's out of sight We will stand Gm We will fight It's not over till it's over As I fell to the ocean floor Feeling light through an open door Gm Saw myself rise with the water They thought they could keep me down Gm Hold their breath and watch me drown

## **Acordes**

We will win, we will chant

It's not over till it's over
