G|-----6---4---|
D|-----|
A|-----0-----|
E|0-----7-----3-----|

G Em
Saw them dancing in your eyes
Bm
Like shadows in the night
A G
Doing pirouettes around the stars
Em
We were running in a haze
Bm
I remember every shade
A G
Hit my veins and they shot up sparks
Em Bm
Words fell from your lips
A G
And all I heard was white noise in the dark
Bm
But when you looked away
A
I remember every shade
