The walls
 Are paper thin
 You're moving in
 I can see right trough somehow
 It all make sense
 Me caving in
 But I barely know you

[Pré-Refrão]

 Than nothing forever
 Yeah, that would be alright with me

 Than nothing forever

 It's now or never

Like planets in the dark
 We don't know how
 We got here in the sky

Like magnets torn around
 Don't know why
 You come back everytime
