

Trobar de Morte - Destiny

tom:

Intro: Am Em Am Em

[Primeira Parte]

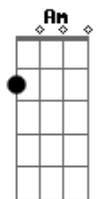

The way it's too long for walk alone
 Too many scars in my bones
 I still walk toward the dawn
 While the sky darkens
 While the light my destiny guides

[Segunda Parte]

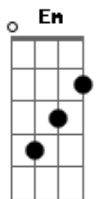

Flowers and stones are endless
 Rivers and clouds painting the scene
 Desert and trees shaded the loneliness
 While the sky darkens
 While the light my destiny guides
