

Kathy Troccoli - Stubborn Love

tom:

Intro: Bm G Bm G

[Primeira Parte]

Caught again. your faithless friend
 Don't you ever tired of hearing
 What a fool I've been?
 Guess I should pray
 But what can I say?
 Oh, it hurts to know the hundred times
 I've caused you pain
 The "forgive me" sounds so empty
 When I never change
 Yet you stay and say, "I love you still"
 Forgiving me time and time again

[Refrão]

It's your stubborn love
 That never let's go of me
 I don't understand how you can stay
 Perfect love embracing the worst in me
 How I long for your stubborn love

[Segunda Parte]

Funny me
 Just couldn't see
 Even long before I knew you
 You were loving me

Sometimes I cry
 You must cry, too
 When you see the broken promises
 I've made to you
 I keep saying that I'll trust you
 Though I seldom do
 Yet you stay and say you love me still
 Knowing someday I'll be like you

[Solo]

Eb Cm Fm
 Ab G7 Cm
 Eb Gm Ab Bb7
 Bb7M C7 Fm Bb7

[Refrão]

It's your stubborn love
 That never lets go of me
 I don't understand how you can stay
 Perfect love embracing the worst in me
 And you never let me go
 I believe I finally know
 I can't live without your stubborn love!

[Final] Ab Cm Ab Bb Eb

Acordes

A grid of 18 ukulele chord diagrams, each showing the fretting pattern for a specific chord. The chords are: G7M, Bbna7, D, Bm, G, Gbm, Ab, Db7, Gb7, A7, En7, An7, B7, En, Eb, Cm, Fm, and G7. Each diagram includes the chord name above it and a small logo '© ukulele-chords.com' below it.
