

# Troye Sivan - Animal

Tom: G

I told you something safe  
 Something I've never said before  
 And I, I, I can't keep my hands off you  
 While you lie in the wake  
 Covered all in the night before  
 I'm high, high, high, no one's got me quite like you

I want you all to myself  
 Don't leave none for nobody else  
 I am an animal with you  
 No angels could beckon me back  
 And it's hotter than hell where I'm at  
 I am an animal with you

An ode to the boy I love  
 Boy, I'll die to care for you  
 You're mine, mine, mine, tell me to who do I owe that to?  
 And as the days fly by  
 We'll be more than getting through, yeah  
 And in time, time, time, we'll build a home for two

I want you all to myself

Don't leave none for nobody else  
 I am an animal with you  
 No angels could beckon me back  
 And it's hotter than hell where I'm at  
 I am an animal with you

All is right in the meadow  
 When I'm lying next to my fellow  
 Baby, that's you  
 Baby, that's  
 Baby, that's you  
 One way trip like an arrow  
 All laid out like a tarot  
 Baby, that's you  
 Baby, that's  
 Baby, that's you, you-you

I want you all to myself  
 Don't leave none for nobody else  
 I am an animal with you  
 No angels could beckon me back  
 And it's hotter than hell where I'm at  
 I am an animal with you  
 I am an animal with you
