Troye Sivan - My My My!

Tom: G
Intro: D Em C

```
D                        Em
Shine on, diamond
                    Am
Don't make me wait another day
Am                    D
'Cause passion is passion
               Em
You know it just as well as me

        D
Now, let's stop running from love
                Em
Running from love
C
Let's stop, my baby
D
Let's stop running from us
               Em
Running from us
C
Let's stop, my baby
```

[Refrão]

```
            D
Oh my, my, my!
           Em        C
I die every night with you
            D
Oh my, my, my!
             Em     C
Living for your every move
```

```
D             Em
Spark up, buzz cut
         Am              C
I got my tongue between your teeth
D        D
Go slow, no, no, go fast
             G         C
You like it just as much as me
```

```
        D
Now, let's stop running from love
                Em
Running from love
C
Let's stop, my baby
D
Let's stop running from us
               Em
Running from us
C
Let's stop, my baby
```

[Refrão]

```
            D
Oh my, my, my!
           Em        C
I die every night with you
            D
Oh my, my, my!
             Em     C
Living for your every move
```

[Ponte]

```
Bm
Should be the last night ever
                          Em
Should be the last night we're apart
Am
Got my name on this treasure
On this treasure
```

[Refrão]
```
            D
Oh my, my, my!
           Em        C
I die every night with you
            D
Oh my, my, my!
             Em     C
Living for your every move
G
Living for your every move
```
