

Troye Sivan - Postcard (feat. Gordi)

Tom:

[Primeira Parte]

^C I sent you a postcard from Tokyo baby
^C You never picked it up
^C I even wrote it in Japanese, baby
^C You didn't give a fuck

[Pré-Refrão]

^C 'Cause I don't sleep like your body's on me
^F I won't feel right until we can be
^G Underneath everything that's between
^F Yeah
^C I'm undone about to burst at my seams
^{Dm} 'Cause I am picturing you beside me
^G So let me be everything that you need
^F Yeah

[Refrão]

^C But you're still picking me up
^{Dm} Don't put me back down like it's nothing to ya
^C Yeah, you're still picking me up
^{Dm} Don't you put me back down
^G Don't you put me back down
^{C F} Like it's nothing to ya
^{Dm G} Like it's nothing to ya

[Segunda Parte]

^C I remember that night that you first called me crazy
^C Only you picked it up
^C Kissed me and said "I love you, baby"
^C You didn't give a fuck

[Pré-Refrão]

^C Now I don't sleep like your body's on me

^F I won't feel right until we can be
^G Underneath everything that's between
^F Yeah
^C I'm undone about to burst at my seams
^F 'Cause I am picturing you beside me
^G So let me be everything that you need
^F Yeah
 [Refrão]

^C But you're still picking me up
^{Dm} Don't put me back down like it's nothing to ya
^C Yeah, you're still picking me up
^{Dm} Don't you put me back down
^G Don't you put me back down
^{C F} Like it's nothing to ya

^{Am} 'Cause I know what you're thinking about

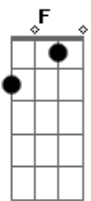

[Refrão]

^C But you're still picking me up
^{Dm} Don't put me back down like it's nothing to ya
