 Remember when we first met?
 You said light my cigarette Gbm
 So I lied to my mom and dad D
 And jumped the fence and I ran E A
 But we couldn't go very far E
 Cause you locked your keys in your car Gbm
 So you sat and stared at my lips D
 And I could already feel your kiss E A
 A
 Long nights, daydreams
 Sugar and smoke rings, I've been a fool E Gbm
 But strawberries and cigarettes always taste like you D E A
 A
 Headlights, on me
 Racing to 60, I've been a fool E Gbm
 But strawberries and cigarettes always taste like D E
 A
 Blue eyes, black jeans
 Lighters and candy, I've been a fool E Gbm
 But strawberries and cigarettes always taste like you D E A
 A
 Remember when you taught me fate E
 Said it all be worth the wait Gbm
 Like that night in the back of the cab D
 When your fingers walked in my hand E A
 Next day, nothing on my phone E
 But I can still smell you on my clothes Gbm
 Always hoping things would change D
 E A

But we went right back to your games

 Long nights, daydreams

 Sugar and smoke rings, I've been a fool Gbm

 But strawberries and cigarettes always taste like you A
