

Troye Sivan - Strawberries & Cigarettes

Tom: A

A E
Remember when we first met?
Gbm
You said light my cigarette
D
So I lied to my mom and dad
E A
And jumped the fence and I ran
E
But we couldn't go very far
Gbm
Cause you locked your keys in your car
D
So you sat and stared at my lips
E A
And I could already feel your kiss
A
Long nights, daydreams
E Gbm
Sugar and smoke rings, I've been a fool
D E A
But strawberries and cigarettes always taste like you
A
Headlights, on me
E Gbm
Racing to 60, I've been a fool
D E
But strawberries and cigarettes always taste like
A
Blue eyes, black jeans
E Gbm
Lighters and candy, I've been a fool
D E A
But strawberries and cigarettes always taste like you
A E
Remember when you taught me fate
Gbm
Said it all be worth the wait
D
Like that night in the back of the cab
E A
When your fingers walked in my hand
E
Next day, nothing on my phone
Gbm
But I can still smell you on my clothes
D
Always hoping things would change
E A
But we went right back to your games

A
Long nights, daydreams
E Gbm
Sugar and smoke rings, I've been a fool
D E A
But strawberries and cigarettes always taste like you
A
Headlights, on me
E Gbm
Racing to 60, I've been a fool
D E
But strawberries and cigarettes always taste like
A
Blue eyes, black jeans
E Gbm
Lighters and candy, I've been a fool
D E A
But strawberries and cigarettes always taste like you
A E
And even if I run away
Gbm
And give my heart a holiday
D E A
Still strawberries and cigarettes always taste like you
A E
You always leave me wanting more
Gbm
I can't shake my hunger for
D E A
Strawberries and cigarettes always taste like you
E A
Yeah, they always taste like you
You
A
Long nights, daydreams
E
With that sugar and smoke rings
Always taste like you
A
Headlights, on me
E Gbm
Racing to 60, I've been a fool
D E
But strawberries and cigarettes always taste like
A
Blue eyes, black jeans
E Gbm
Lighters and candy, I've been a fool
D E A
But strawberries and cigarettes always taste like you
