

Troye Sivan - What a Heavenly Way To Die

tom:
 C
 Tell each other you're the one
 C Am G
 While we're laying by the poolside, poolside
 C F
 Getting tired from the sun
 Am G
 Fading in and out of long nights, long nights
 C F
 There's no limit to your love
 Am G
 East or west we got the north lights, north lights
 C F
 Oh oh, take in it all
 Am G
 What a heavenly way to die
 C F
 What a time to be alive
 Am G
 Because forever is in your eyes
 C F
 But forever ain't half the time
 Am G
 I wanna spend with you, you
 C F
 I wanna be with you, you
 Am G
 I wanna spend with you, you
 C F
 I wanna be with you, you
 Am G
 When our promise has come and gone
 C F
 And our youth is all but melted, melted
 Am G
 We can listen to this song
 C F
 So we don't have to accept it, accept it
 Am G
 Just as long as you'll be home
 C F
 In the one we've manifested-fested

Am G C F
 Oh oh, take in it all
 Am G
 What a heavenly way to die
 C F
 What a time to be alive
 Am G
 Because forever is in your eyes
 C F
 But forever ain't half the time
 Am G
 I wanna spend with you, you
 C F
 I wanna be with you, you
 Am G
 I wanna spend with you, you
 C F
 I wanna be with you, you
 Am G
 Just take it in all, all, all, all
 C F
 Just take it in all, all, all, all
 Am G
 Just take it in all, all, all, all
 C F
 Just take it in all, all, all, all
 Am G
 What a heavenly way to die
 C F
 What a time to be alive
 Am G
 Because forever is in your eyes
 C F
 But forever ain't half the time
 Am G
 I wanna spend with you, you
 C F
 I wanna be with you, you
 Am G
 I wanna spend with you, you

 I wanna be with you, you
