Troye Sivan - What a Heavenly Way To Die

tom: С Am G Tell each other you're the one While we're laying by the poolside, poolside G Getting tired from the sun F Fading in and out of long nights, long nights Am G There's no limit to your love East or west we got the north lights, north lights Am G C F Oh oh, take in it all F Am What a heavenly way to die С What a time to be alive Am G Because forever is in your eyes С But forever ain't half the time Am I wanna spend with you, you C F I wanna be with you, you Am I wanna spend with you, you C F I wanna be with you, you G When our promise has come and gone And our youth is all but melted, melted Am G We can listen to this song F So we don't have to accept it, accept it Am G Just as long as you'll be home F In the one we've manifested-fested

Am G C F Oh oh, take in it all Δm What a heavenly way to die С What a time to be alive G Am Because forever is in your eyes С But forever ain't half the time G Am I wanna spend with you, you С I wanna be with you, you G Am I wanna spend with you, you C F I wanna be with you, you Am Just take it in all, all, all, all С Just take it in all, all, all, all Am Just take it in all, all, all, all Just take it in all, all, all, all Am What a heavenly way to die C What a time to be alive Am Because forever is in your eyes C But forever ain't half the time Am I wanna spend with you, you C I wanna be with you, you Am G I wanna spend with you, you C F I wanna be with you, you
