```
            Bm          A             Bm    A     Bm
A       Bm    A
All my life   has been a dream     an endless nightmare  so it
say
Bm                  A                 Bm  A        Bm
A                Bm   A
Tonight's the night,  yes this is the end   you've heard it
before, this is what I said

Bm           A           Bm   A  Bm            A
Bm    A
I think about gone yesterdays   all the things   that people
would say
Bm                  A                     Bm   A   Bm
A            Bm    A
Tonight's the night,  I'm gonna find the truth   Tonight's the
night goodbye to you

        G        A         Bm   A      G        A         Bm
A
Because I can't take it anymore    no, I can't make it anymore
        G                A                  Bm   A  G
A
Don't say nothing cause baby there ain't no more   just leave
your flowers by the door

Bm                A                     Bm  A       Bm        A
Bm    A
You can't see me now, cause I'm in the day    it's all over,
no one left to pay
Bm                A             Bm  A    Bm            A
Bm    A
I'm finally happy with no yesterday   I'm still alive,   but
I'm in the grave

        G        A         Bm   A      G        A         Bm
A
Because I can't take it anymore    no, I can't make it anymore
        G                A                  Bm   A  G
