

# Tuba Skinny - I get the blues

Tom: C

Baby, I'm so blue, so blue 'bout you, sweet baby  
 'Cause your lovin' is so soft, and warm  
 Then I get the blues, deep down in my heart, sweet babe  
 'Cause I'm a many miles from your lovin' and home  
 Now, listen here, sweet baby, please listen to me  
 I know that your lovin' is the best that I ever seen  
 Then I get so blue, so blue 'bout you, sweet baby

'Cause your lovin' is so soft...and warm  
 Baby, I'm so blue, so blue 'bout you, sweet baby  
 'Cause your lovin' is so soft, and warm  
 Then I get the blues, deep down in my heart, sweet babe  
 'Cause I'm a many miles from your lovin' and home  
 Now, listen here, sweet baby, I really can't understand  
 Thinkin' 'bout your lovin', mixed with some other man  
 Then I get so blue, so blue 'bout you, sweet baby  
 'Cause your lovin' is ...so soft ... and ... warm
