

Tuca Oliveira - Será Que Eu Tô Gostando Dela?

tom:

Intro: **Db Eb Fm Eb**

Eu sei que eu disse tantas vezes

Que eu precisava do meu tempo

Que eu não queria ter ninguém a fim de querer a mim

Eu não tava aberto a amar ninguém

Eu só queria a vida solta

E a liberdade das escolhas

Eu repetia a todo canto assim não era pra mim

Que ninguém me mudava

Mas quando a tua boca toca a minha boca

0 toque vai além da roupa

É inevitável não pensar

Será que eu tô gostando dela?

Por que é que eu falo tanto dela?

Por que é que eu penso tanto nela

Em reuniões, no bar, no metrô?

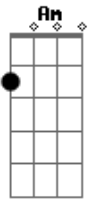

No elevador, a longa espera

Pra então bater na porta dela

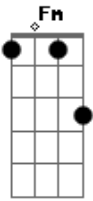

Eu tô contando sobre ela até pra ela

Eu tô, eu tô, eu tô, eu tô
