

Tulio Veras - Back To You

tom:

Gm

Gm Cm Gm

And I am back to you

Gm Cm Gm Cm Gm

I tried but I can't forget the things you do

Gm Cm D Gm Cm Gm

And like this tattoo on my chest

Cm D Gm Cm Gm

I always said you were the last

Gm Cm Gm

And I'm alone this night

Gm Cm Gm Cm Gm

Spilling drinks and maybe a little high

Gm Cm D

But on my pillow where I'm safe

Cm D Gm Cm Gm

I'm waiting for you to come and stay

Cm Gm

Like you said I'm always on the road

Cm Gm

I'm looking for a place to rest my soul

Cm Gm

You always call me when when no one is around

Gm Cm Cm

And every time you come you leave a scar

D D Gm Cm

You tell me lies you screw

Cm Gm

My mind

Gm Cm Gm

And do you think I'm nuts

Gm Cm Gm Gm Cm Gm

'Cause I always come back even knowing it hurts

Gm Cm D

But what is drowning me is the doubt

Cm D Gm Cm Gm

That I don't wanna hear the crowd

Gm Cm Gm

Hope we are in the same mood

Gm Cm Gm Cm Gm

The same rhythm playing the same tune

Gm Cm D

'Cause in this feeling I'm alive

Cm D Gm Cm Gm

I want your body next to mine

Cm Gm

Like you said I'm always on the road

Cm Gm

I'm looking for a place to rest my soul

Cm Gm

You always call me when when no one is around

Gm Cm Cm

And every time you come you leave a scar

D Cm D

You tell me lies you screw my mind, Yeah

[Solo] D Eb F D
Eb D Eb D

Cm Gm

And that's why I choose to be

Cm Gm

On the road so far from here

Cm Gm

In a place where there's no one around

Gm Cm Cm

With my guitar and the songs I wrote

Cm D Gm Cm Gm Cm

I'll never never let you take control

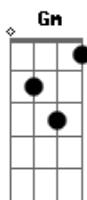

Cm Gm Cm Gm

Of my life

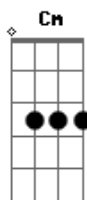

Gm Cm Gm

'Cause I have too many scars
