Hey, so you threw your heart right in
And it turned out less than perfect
A
A losing streak is starting in your mind
You let yourself believe the pain is never gonna be worth it
E
Don't beat yourself up
Know that you were never wrong for wishful thinking
E
So you done lost the battle
Should we just cross out your name and let you sink?
A
You got me feeling like the last surviving great romantic
A
But stop dreaming and the world stops spinning around
A
You feel foolish 'cause love never turns out like you planned it
A
And stop believing and the world starts letting you down
