

T. Universal - A Luz da Salvação

Tom: G

Senhor, os meus pés estão cansados

O meu rosto está molhado

Pelo pranto que chorei

Senhor, perdoa minha fraqueza

E tira esta tristeza

Que insiste em ficar

No meu coração

Senhor, eu preciso de ajuda

Me protege, me escuta

Eu preciso desta luz

Senhor de tantas maravilhas

Te entrego a minha vida

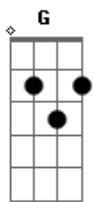

Faz de mim um filho Teu

Senhor, sou tão frágil, tão pequeno

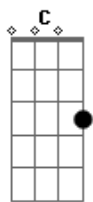

Mas agora estou querendo

A luz da salvação
