

# T. Universal - No Poço Te Encontrei

Tom: G

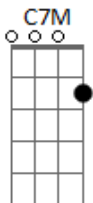

Cansado de esperar  
 Errar e de em vão tentar  
 Uma voz eu ouvi, uma voz eu ouvi  
 Farei do teu deserto um jardim  
 No poço te encontrei, e sede nunca mais senti  
 Eu devo tanto a ti, eu devo tanto a ti  
 Tornaste o meu deserto num jardim

Abraça-me, contigo irei ao altar  
 Lutar, sacrificar  
 Vencer, recomeçar  
 Foi bom te esperar, agora não vou mais errar  
 Pois conheci, o amor que vem da fé  
 O amor que vem da Fé  
 Abraça-me, contigo irei ao altar  
 Lutar, sacrificar  
 Vencer, recomeçar
