

Turma do Pagode - Beijo Roubado

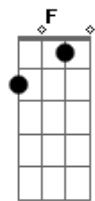

Tom: C

Não faz assim, desse jeitinho
 Tinha certeza que ia acabar assim
 E vem pra mim, bem gostosinho
 Sem perceber me dominou, olhando afim
 A gente se encontrou, coisa do acaso

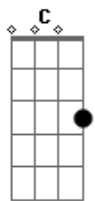

Mas tinha que rolar, destino traçado
 Custei acreditar, um lance de fato
 Um filme de ação, a gente protagonizou
 Eu achando que o cara era o seu namorado... namorado
 Que surpresa saber que faz tempo que é ex... acabado
 O desejo aumentou no primeiro contato.. veio o papo
 De presente ganho o meu beijo roubado.
